ENYYSA State Cup Registration

For u12 to u19 teams starting play in Spring of 2006

Eastern New York Youth Soccer Association (ENYYSA) member teams can now register for the 2006 US Youth Soccer Eastern New York State Championships and the ENYYSA Challenge Cup competitions online. In addition, state cup rosters are created and administered online from the same system powered by [League Sports Services](#).

The registration system is easy to use; just create the team's account and password or logon using your teams existing account from last year. Please be sure to verify and edit your teams information from last year. The system will prompt you through the registration process. To log back into the system at any time just use the email address and password.

The system sends your valid email address a confirmation of registration. Payment can either be online with the use of a credit card or you may mail a check to the ENYYSA office. Directions for submitting payment are fully explained on the payment submission page of the system.

While registering your team, or after, you may create and or revise the team's roster for approval by both your home league and ENYYSA. **Rosters are due the date your league requires but no later than March 10, 2006 for the u12 to u18 age groups and May 5, 2006 for the u19 age group .**

Registration is open for the following cups and age groups:
