**PROCEDURE FOR INDIVIDUALS MISIDENTIFIED WITH
CRIMINAL CHARGES**

*If you are notified that you are disqualified from membership and receive a report listing criminal charges **THAT YOU DID NOT COMMIT**, do the following:*

1. IMMEDIATELY Call the State Office at 1-888-5-ENYYSA and talk to Richie Stahl.
2. Provide a notarized written statement to ENYYSA stating that you are NOT the person identified in the report.
3. Explain why you are not the person. For example, if the report states you were in prison, you should explain that during that time you were working in another state or in college, etc. You may provide a photo ID if that proves you are not the person.
4. Provide as much information as possible so the ENYYSA can render a quick decision. If you follow the instructions and construct a reasonable explanation, we can take swift action.
5. If we have to correspond with you and ask more questions, it will DELAY your soccer privileges.
6. ENYYSA will notify you of the decision as soon as possible.
