SAFESPORT ABUSE PREVENTION TRAINING

Help Guide for Players 18+

Athletes that are 18 or will turn 18 during a current playing season and play on team with minor athletes must take SafeSport Core Abuse Prevention training.

Any players who are or will turn 18 during the current playing season may not be rostered on a team unless they have provided this certificate

- SafeSport is a yearly requirement; the first course is Core training (1.5 hours).
- Adult Athletes that continue to participate and will again be on a team with minor athletes, must complete a refresher course (20 minutes) beginning the year after completing the SafeSport Trained Core training or prior to returning to play (SafeSport training must not expire while playing on a team with minor athletes).
- If you are a referee and have taken the SafeSport Abuse Prevention 90-minute CORE training, it is the same training and can be approved by your organization.
